

Opportunity to Support Mary Alice Park On Main

Art's planned bike route to New York

In 2006 **Mary Alice Park** was created by Art Hoag for all to enjoy. Donations from so many have helped make **Mary Alice Park** what it is today – Thank you!

Back in 2016 Art biked cross-country as the first fundraiser for the **Park**. Back then, with dogs in tow he peddled from Twin Falls to his childhood home, Morris, New York where he celebrated his 71st birthday.

Now it is time for another bicycle-ride fundraiser. Art & his dog Diva will ride approximately 2400 miles from **Mary Alice Park** to New York to celebrate his 81st birthday, **Mary Alice Park's** 20th birthday, and the USA's, 250th birthday!

You may donate any amount online at www.maryalicepark.org **click the donate** on the bottom of the homepage screen. You may wish to donate based on a selected number of miles ridden to New York. (Example: 25 cents per mile for 100 miles which would be a total donation of \$25.)
